## 2018 LPGA Ellen Griffin Rolex Award

Ellen Griffin was considered by many to be one of the best known and most respected female golf teachers in American history. Griffin taught near Greensboro, North Carolina at "The Farm", a golf facility that she founded.

The 2018 Ellen Griffin Rolex Award will be given to a teacher who has:

1. Demonstrated in their teaching, the same spirit, love, and dedication as Ellen showed to the golf student, to teaching and to the game of golf.
2. Made a major contribution to the teaching of golf.

By honoring teachers who dedicate their lives to this purpose, we hope to honor Ellen Griffin and encourage golf teachers to seek these ideals.
